Represents 3 of 9 primary metrics. Based on average performance of rated products/product families.

## Tarkett Overview

Tarkett is committed to Doing Good. Together. The world is facing increasingly complex sustainability challenges. Overcoming them is no longer an important ambition, it's an urgent imperative. At Tarkett, we're committed to a sustainable, circular economy that creates value for everyone, closing the loop on waste, preserving natural resources and reducing our impact on climate change.
