

Merge / Emerge Collection

HOSPITALITY CARPET

An
experiment
in blending.

 **Tarkett**

Creative chemistry.

An experiment in the blending of soft and hard surfaces, the Merge/Emerge Collection combines pattern and texture unlike anyone has done before. As a visual metaphor for the Tarkett brand, the line represents the creative chemistry that ignites when we come together.

**Great spaces.
One surface at a time.**

A disruptive design experience.

Merge/Emerge is a unique breakthrough in LVT that uses the power of co-creation to breathe life into the design process. With this collection, interior designers are able to meld their own creative process with inspirations from some of the most influential design minds of our time. Featuring state-of-the-art digital print technology, the possibilities for customization are as expansive as your imagination. And the results are nothing short of breathtaking.
